To enhance, unite, and celebrate community through sport.

SPORTWOODBUFFALO.COM

DEAR COMMUNITY PARTNER

Fort McMurray Wood Buffalo is the “hub of sport in Canada’s north”. We are the home to world-class recreational facilities, a thriving sports community – including teams like our Keyano Huskies, Fort McMurray Oil Barons, and Fort McMurray Oil Giants – and a rich history of athletic achievement. Our remote and northern location, the past events we have endured as a region, and our intense weather elements are proof that our community members are strong, connected, and resilient. We are proud to support thousands of athletes, coaches, officials, volunteers, and sport organizations, and we believe in the power of sport to unlock our region’s potential and show the world who we truly are.

Who Are We?

We are the Wood Buffalo Sport Connection (WBSC), a non-profit organization in the Regional Municipality of Wood Buffalo who believes that building community through sport is one of the most powerful ways to unite, inspire, and strengthen our region.

What Do We Do?

Our mission is simple: to enhance, unite, and celebrate community through sport. We focus on sport development in several key areas, including:

- Advocating for sport in the region
- Supplying sport information, data, and resources
- Closing gaps in community sport participation
- Supporting the establishment of new sport organizations and connecting them to resources
- Celebrating the achievements of athletes, coaches, officials, volunteers, and sport organizations
- Encouraging recruitment and growing sport awareness
- Connecting our region with the broader sport community

How Are We Achieving This?

Our small but mighty and highly skilled team of staff, supported by a knowledgeable board of directors, is actively working to address key challenges in our community, such as:

- Encouraging female participation in sports, especially for girls aged 9-12, through initiatives like “Girls with Grit”
- Tackling the shortage of referees by addressing abuse and promoting recruitment with our “No Ref, No Game” campaign
- Helping families navigate the diverse sport opportunities available with our “Sport Passport Program,” which offers them a chance to explore and identify sports that align with their interests

How Can You Help?

We invite you to review our sponsorship package and become a WBSC Community Partner to help us drive positive change through sport. As a sponsor, you will play a key role in advancing our mission and supporting the development of our community through sport as well as initiatives like our Sport Passport Program, Multi-Sport Awards Banquet, and Community Champion Campaign.

Sincerely,

Jon Turner

Chair, Board of Directors

Our mission is driven by four key pillars:

SPORT DEVELOPMENT

We are committed to the growth of sport by providing support to athletes, coaches, officials, and sport administrators. Our focus includes educational programs, access to sport science services, and development initiatives that strengthen the sporting community and help it thrive.

CELEBRATING SPORT

At WBSC, we believe in recognizing and celebrating the achievements that sport brings to our community. Through our Multi Sport Awards Banquet, we not only honor the excellence of athletes, coaches, and organizations but also recognize the invaluable contributions of volunteers. Volunteers are the backbone of local sport, and we celebrate their dedication and commitment to fostering a vibrant sport culture in our region.

Advocacy is at the heart of what we do. By collecting data from sport organizations and community members, we identify gaps, measure progress, and inform future sport development. Our efforts ensure that the resources, funding, and policies needed to support sport are available, helping us create sustainable growth for the region's sporting ecosystem.

SPORT INFORMATION HUB

WBSC serves as a comprehensive resource for sport-related information through our Sport Information Hub. This hub includes a sport directory connecting community members with local sport organizations, a resource center offering tools for sport development, and a community calendar showcasing upcoming events, programs, and workshops.

SPORT HOSTING

WBSC is excited to enhance our community by hosting dynamic sport events. We are in the process of developing our capacity to bring local, regional, and national events to the Wood Buffalo region. We aim to offer opportunities for local athletes while contributing to the economic and social vitality of the area. Additionally, WBSC will provide support to organizations interested in hosting events, streamlining the process and facilitating the transfer of knowledge to ensure successful outcomes.

WHY SUPPORT THE WBSC?

Supporting Wood Buffalo Sport Connection is an investment in the future of sport and community.
